

ANNUAL SERVICE NEEDS AND GAPS ASSESSMENT SURVEY

EASTPOINTE NEEDS **YOUR** INPUT

Eastpointe is conducting its annual survey to identify service needs and gaps in the communities we serve. Your input is key to helping us improve our service delivery. We are asking for input from Eastpointe members and their families, stakeholders in the community, as well as our own employees. Different surveys are available for each group.

You can access the survey via the links below or via www.eastpointe.net

The survey will be up until April 19, 2019

For a paper copy of the survey, please contact Eastpointe at NAASurvey@eastpointe.net or 910-272-1225.
